Sheltie Tales

Jan Wertz Westcoyne Therapy Dog Shelties

Will you read me a story?

I love to hear stories

But doggies can't read!

Please read a story to me!

Squirrel on the feeder

Flees when I come

Up in the tree

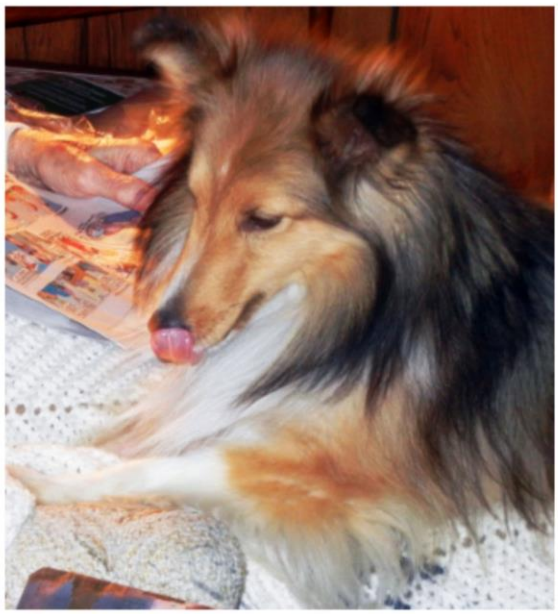
He laughs at me!!

I love the snow!

It tickles my nose!

It tickles my toes!

I love the snow!



What do you have?

It smells so good!

I would like to taste it!

Oh yes! I would!

I love my toys!

To chase and to shake!

To chew and to squeak!

My toys are my joys!

I like to be in this chair

Because his coat is there

He takes me for walks!

He gives me treats!

I like to be in his chair!

Yes, I am the Queen of the couch!

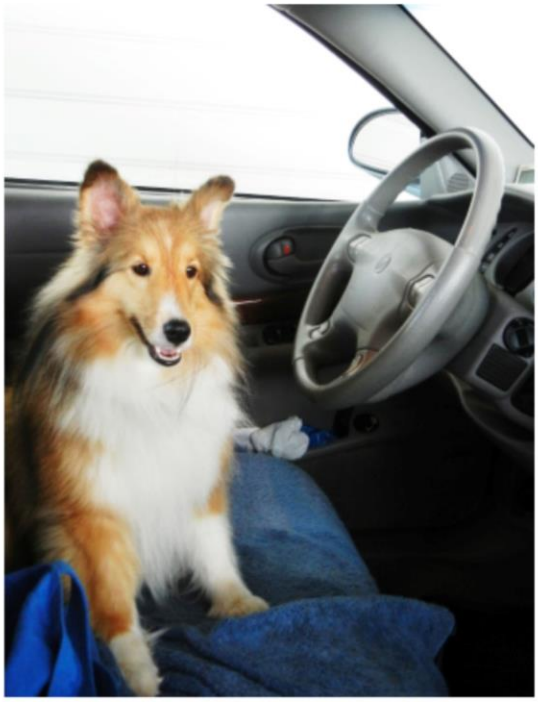
It is cold and raining outside

No, I do NOT want to go 'out'!

Why get my silky white feet muddy and wet?

I am happy, dry, and warm right here

Where I am the Queen of the couch!



I want to drive the car!

I want to go near and far

To see many places

And lots of new faces!

I want to drive the car!

Ducks float on their pond

Where I cannot walk

I can't go and meet them

How do they do that?

I like to wear a hat!

A Santa Claus hat!

A baseball cap!

Do you like my hat?

Ice Cream is a treat!

Cold and sweet

So good to eat!

Its time to make the bed

So I decided to help!

The Pillows must be soft

The Blankets must be warm

And now it's time for my Nap!

I'm sorry...

You told me not to do it

But I just HAD to chew it!!

I found you! Yay!

Come with me!!

You will see!

This is our day to play!!

Dog shows are fun!

Sometimes we win a ribbon or two!

Look at all of the colors!!

I found her purse!

What is in there?

A comb for her hair.

What else could there be?

Here is her key

And some treats for me!

Please stop the Storm!

Make it go away

Thunder booms scare me!

I hope they don't stay!

You did read to me!

And you petted me too!

It was a good story!

It was a fun thing to do!
